Additional questions concerning the Odra-Vistula Flood Management Project
Subcomponent 1.B: Flood Protection on the Middle and Lower Odra River
Task 1B.3: Construction of Mooring Facilities

This questionnaire is anonymous – please complete it without stating your personal data

1. What do you think of the reasons for the Investment Project?

It is unreasonable, it is better to start at Dąbie Lake

There will be no place for meetings or walks.

The project should be carried out in a different location.

2. How will the investment project affect your economic position (revenue)?

There will be no big change, the project will not affect my revenue.

3. What do you think of the strengthening of flood protection?

I think it is good and the protection should be provided but in a different location, such as Dąbie Lake.
