Statement of reasons

In the letter of 02 July 2020 (ref: POPDOW-5.3-ZPT.010.7.2020) Mr. Jerzy Siwicki, acting pursuant to the powers of attorney issued by Państwowe Gospodarstwo Wodne Wody Polskie, Regional Water Management Board (RZGW) Szczecin, ul. Tama Pomorzańska 13A, 70-030 Szczecin, requested Zachodniopomorskie Voivodeship Marshall to grant a permit to derogate from the wild game disturbance ban for the following species: common wood pigeon (*Columba palumbus*), mallard (*Anas platyrhynchos*).

Pursuant to Art. 9a, Item 1 of the Hunting Law Act of 13 October 1995 a voivodeship marshal can permit, having consulted the Polish Hunting Association, a derogation from the ban of disturbing wild game. The permit can be granted if there are no alternative solutions and if it would pose no risk to the wild game population's favorable conservation status.

The application submitted to the voivodeship marshal by Państwowe Gospodarstwo Wodne Wody Polskie, Regional Water Management Board (RZGW) Szczecin, applies to common wood pigeon (*Columba palumbus*) and mallard (*Anas platyrhynchos*) and the planned disturbance activities do not pose any risk to persistence of the species' population.

In the letter of 24 July 2020 (Ref. No. 283/07/2020) the Polish Hunting Association did not object the application.

Given the above, it was ruled as stated.
