Nautical information:

We would like to inform that due to a technical failure of the Hohensaaten East lock chamber installation on 02-11 July 2021, the Oder-Havel waterway at 92.66 km will be closed for navigation.

The Railway Lines District Unit in Szczecin informs that in accordance with the contractor's declaration, the repair of the drawbridge span at 733.7 km of the Regalica river will be carried out on 05-07 July 2021 during nighttime hours. The contractor has been obliged by Railway Lines District Unit in Szczecin to open the damaged drawbridge span in emergency situations (manually) in order to allow the passage of inland navigation vessels during the following hours:

- The night of 05/06 July 2021 at 11:00 pm – 12:00 am.
- The night of 06/07 July 2021 at 03:00 – 04:00 am.

We would like to inform you that due to low fairway at the 3rd section of the Oder River, i.e. from km 617.6 (mouth of the Warta River) to km 667.2 (Hohensaaten), the waterway administration **shall cease all soundings and inspections of the above waterway section until further notice.** [For more details, see announcement 21/2021.](#)

Please be advised that from 21 June 2021, until 16 July 2021, due to the works related to ground surveying, in the section of the Oder, starting from km 542.4 to km 704.1, there will be difficulties related to navigation. The sailing units that pass through the designated area are requested to avoid creating waves.

Starting from 17 March 2020, the Schwedt lock is completely closed to traffic and the Lehnitz, Hohensaaten Ost and Hohensaaten West locks are only in operation between 07:00 am and 02:30 pm. Please use extreme caution when traversing the border section of the Oder river.

We kindly inform you that starting from 06 April 2021, repair works will commence on a bridge in Siekierki, 653.9 km of the Oder river, which will include a partial closure of the navigable span. [For more details, see announcement 16/2021.](#) Please exercise extreme caution while in this area.

The Railway Lines District Unit in Szczecin kindly informs everyone that a new time schedule for opening the Podjuchy drawbridge, 733.7 km of the Regalica river, will be in force between 13.06.2021 and 30.06.2021. You can download the new schedule [here](#).

The bridge crew will inform about the opening of the Podjuchy drawbridge span at 733.7 km of the Regalica river 30 minutes before each scheduled opening. If you do not inform the bridge crew that you wish to pass, the drawbridge will remain closed irrespective of the schedule.

BRIDGE CREW – RAILWAY BRIDGE AT 733.7 KM OF THE REGALICA RIVER – PHONE: 600-084-835.

NAVIGATION INFORMATION, phone: (91) 44-11-301.

We encourage everyone to use the "Oder river transit depth calculator" app, which allows you to calculate the transit depth for the individual sections of the Oder river border waterway <http://kgt.szczecin.rzgw.gov.pl/aplikacja/>.
