Navigation information:

Up-to-date navigation announcements - [link](#)

We would like to inform you that due to bomb disposal works in the area of Skośnica Schwedt at km 3.4 (mouth of the Oder River) and on the Oder River from km 696.8 to km 697.1, shipping traffic may be impeded from October 9, 2023 to February 29, 2024. Short-term closures of the shipping lane are possible. The navigational markings will be subject to change depending on the progress of bomb disposal works. The area of the works will be marked with yellow buoys. Extreme caution should be exercised when passing through the designated area. For details, please refer to Notices to Skippers No. [29/2023](#).

We would like to inform you that due to works on the pillar of the railway bridge in Kostrzyn nad Odrą at km 615.10 of the Oder River from 07 February 2023 to 31 December 2023 (with possible delays) traffic obstructions may occur. The route will be marked according to the applicable navigational regulations. Please exercise particular caution while in the above area.

We would like to inform you that due to works at the newly constructed railway bridge at km 733.7 of the Regalica river, there may be obstructions to shipping - **narrowing of the navigable lane - from August 31, 2023 to October 31, 2023**. For details, please refer to Notice to Skippers No. [28/2023](#).

We would like to inform you about the changed organisation of traffic under the railway bridge at km 733.7 of the Regalica River from March 27, 2023. The traffic will take place between the spans of the bridge indicated in the Notice to Skippers No. [10/2023](#). **Shipping under the bridge's drawbridge is prohibited**. Vessels wishing to pass through the indicated area are requested to report their intention on VHF channel 10. Please also read the Notice to Skippers No. [09/2022](#) informing about the difficulties related to construction works in the period from February 22, 2022 until further notice. Please be advised **that from June 3, 2023**, as a result of the ongoing construction works connected with the sliding of the steel structure of the railway bridge at km 733.7 of the Regalica River, **there will be a reduction in the clearance height above the water table - 6.20 m to High Navigable Water**. For details, please refer to Notices to Skippers No. [19/2023](#).

We would like to inform you that that due to the occurrence of low transit depths the Waterway Authority **is discontinuing soundings and inspections at:**

- **I exploitation section** of the Oder River i.e. from km 542,4 mouth of the Nysa Łużycka River) to km 586,0 (town of Słubice) from July 14, 2023. For details, please refer to Notice to Skippers No. [22/2023](#).
- **II exploitation section** of the Oder River i.e. from km 586,0 (town of Słubice) to km 617,6 (mouth of the Warta River) from June 23, 2023. For details, please refer to Notice to Skippers No. [21/2023](#).
- **III exploitation section** of the Oder River i.e. from km 617,6 (mouth of the Warta River) to km 667,2 (town of Hohensaaten) from June 10, 2023. For details, please refer to Notice to Skippers No. [20/2023](#).
- **IVa exploitation section** of the Oder River i.e. from km 667,2 (town of Hohensaaten) to km 677,2 (entry to a gravel plant in the town of Bielinek) from July 14, 2023. For details, please refer to Notice to Skippers No. [22/2023](#).

We would like to inform you that as of May 25, 2023, **night navigation is allowed on the waterways in the administration of RZGW Szczecin**. For details, please refer to Notices to Skippers No. [14/2023](#), No. [15/2023](#), No. [16/2023](#) and No. [18/2023](#).

Please be advised that diving works will be taking place at km 615.11 of the Oder River from 9 November 2022 until further notice. Navigation difficulties may occur. The route will be marked according to the applicable navigational regulations. Please exercise particular caution while in the above area.

We would like to inform you that due to the removal of hazardous materials on the Schwedt canal between km 0.5 and 3.4, from 20 October 2022 to 31 December 2026, traffic obstructions may occur. For the duration of the works, it will be possible to pass through the Schwedt canal. Please pay particular attention to the displayed navigational markings.

We would like to inform you that in connection with the commencement of modernization works of hydrotechnical structures (spurs) on the river Odra at km: **581,0 – 585,7, 604,0 – 605,0, 612,7 – 614,8, 645,5 – 663,0** until further notice, temporary navigation markings will be displayed. Please exercise extreme caution while moving around the indicated area. For details, see notice no [07/2022](#) and [08/2022](#).

We would like to inform you that from 6 April 2021, repairs will be carried out on the bridge in Siekierki at km 653.9 of the Oder River, with a partial closure of the navigational span. [For details, see notice no. 16/2021.](#) Please exercise extreme caution when walking in the above-mentioned area.

We would like to inform you that due to construction work in Frankfurt at km 582,7 – 585,9 from 1 August 2022 to 30 September 2024, traffic obstructions may occur.
