Notice to Skippers no. 9/2022

Pursuant to Art. 43 point 6 of the Act of 21 December 2000 on inland navigation (Dz. U. /Journal Of Laws/ of 2020, item 1863.), "Polish Waters" State Water Holding, Regional Water Management Board in Szczecin, in agreement with the Office of Inland Navigation in Szczecin, informs that due to the construction works on the railway drawbridge at km 733.7 of the Regalica River, in the period from 22 February 2022 to 31 March 2022, traffic obstructions may occur.

The works include the placement of temporary mooring piles and concrete works at the drawbridge span using a pontoon and a pusher tug. The assisting pusher tug will conduct continuous radio-telephone monitoring on 10 VHF and 74 VHF channels and will be required to give way to other vessels under the bridge (both professional and tourist shipping) should they need to pass.

Please exercise extreme caution while moving around the indicated area. Also, kindly familiarise yourself with a Notice to Skippers No. 36/2021, informing about the current organisation of traffic. We will notify you of any changes to the organisation of traffic and on the progress of the construction works in a separate notice.
