Notice to Skippers no. 6/2023

Based on art. 14 1(4) of the Act of July 20, 2017 - Water Law (Journal of Laws of 2022, items 2625, 2687) and art. 43 (6) of the Act of December 21, 2000 on Inland Navigation (Journal of Laws of 2022, item 1097, 2642.), the Regional Water Management Board in Szczecin, in consultation with the Inland Navigation Office in Szczecin, informs that

from February 17, 2023, navigation markings in the area of the West Oder River from km 29.50 (Klucz - Ustowo Cut) to km 32.10 (Akademicka Island),

in connection with the works of excavated material dump above the "Pomorzan" bridge (km 31.17 – East Oder River), it will not meet the requirements set out in §25 of the Ordinance of the Director of Inland Navigation in Szczecin of February 17, 2020 on detailed safety conditions traffic and parking of ships, regulating the rules of night sailing.

In view of the above, we would like to inform that night sailing will not be allowed on the above-mentioned section. We will inform about the restoration of night sailing in a separate navigation message.

At the same time, we would like to inform you that from February 17, 2023, at km 31.20 - 31.50, works will be conducted related to excavated material dump. The work area will be marked with yellow navigation buoys. Temporary terrestrial navigational markers posted from headwaters and downstreams prior to entering the work area should also be followed. Please exercise extreme caution when moving in the indicated area.
