

Notice to Skippers No. 8/2023

Pursuant to art. 14 1(4) of the Act of July 20, 2017. - Water Law (Journal of Laws 2020, items 310, 284, 695, 782, 875) and art. 43 (6) of the Act of December 21, 2000 on inland navigation (Journal of Laws of 2019, items 1568, 1901, 2170, of 2020 item 284.) The Regional Water Management Board in Szczecin informs that **from March 09, 2023 it is planned to change the traffic organisation under the railway bridge at km 733.7 of the Regalica River**. The traffic will take place between the existing bridge supports in accordance with the diagrams presented below:

Please be advised that due to the new traffic organization, navigation under the drawbridge span will be prohibited. Vessels wishing to pass through the indicated area are asked to report this intention on VHF channel 10. In accordance with the shipping regulations, vessels going upstream have priority. Please exercise extreme caution.

At the same time, we would like to inform that the change in traffic organization may be delayed, which we will inform about in a separate notice.

Marek Duklanowski
Director of PGW WP RZGW Szczecin
