

SZ.RPC.5032.28.2023.MA

Notice to Skippers no. 28/2023

Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 – Water Law (Journal of Laws of 2022, item 1549) and Article 43 (6) of the Act of December 21, 2000 on inland navigation (Journal of Laws of 2022, item 1097) Regional Water Management Board in Szczecin informs that:

In connection with the works carried out for the demolition of stream support No. 3 and the installation of working pavements on the spans at the newly constructed railway bridge at km 733.7 of the Regalica river, there may be obstructions to shipping - narrowing of the navigable lane - **from August 31, 2023 to October 31, 2023** .

Traffic will move between the bridge supports (west side traffic) according to the scheme on the next page of the notice (source: Budimex S.A.). The permissible vertical clearance under the new bridge structure during the works will be 5.50 m to the High Navigable Water state (water level gauge: Szczecin - Podjuchy - High Navigable Water state - 610 cm).

We will keep you informed on an ongoing basis about all changes to the organisation of shipping traffic under the bridge at km 733.7 of Regalica river.

Please take particular care.

Dominika Gajlewicz
Acting Deputy Director
PGW WP RZGW Szczecin
