

Notice to Skippers No. 30/2021

Pursuant to Article 43 point 6 of the Act of 21 December 2000 on inland navigation (Dz. U. /Journal of Laws/ of 2020, item 1863), the "Polish Waters" National Water Holding (Państwowe Gospodarstwo Wodne "Wody Polskie") – the Regional Water Management Board in Szczecin, in agreement with the Inland Waterways Authority in Szczecin, hereby informs that due to the current hydrological status in the Klucz–Ustowo Cut area the contractor has changed the location of dredging operation. The operation will be carried out in the southern part of the fairway from the East Oder River towards the West Oder River. The north side of the basin with a width of 25 m will be navigable.

The entrance to and exit from the Klucz–Ustowo Cut will bear the following navigation signs:

The work area will be indicated with yellow navigation buoys:

When dredging of stage 1 is completed, the "Polish Waters" National Water Holding, Regional Water Management Board in Szczecin will issue a notice to skippers concerning dredging in stage 2. At the same time, we would like to inform you that the Notice to Skippers No. 28 of 21 September 2021 is repealed.

When navigating in the work area, please exercise extreme caution.
